

# Race the Sun Relay Returns to Pewamo June 21, 2019

## About the Race the Sun Relay

The Back Road Brigade Running Club is sponsoring the Race the Sun Relay, June 21, 2019. This is a marathon relay (26.2 miles) that is being run on the rail trail in beautiful downtown Pewamo, MI. Teams can consist of 3-5 members in order to cover the distance. The start and finish will be the Pewamo Trailhead Welcome Center, which sits right on the rail trail. The course will consist of a down and back loop of 2.62 miles heading west down the trail and ending back at the start and another 2.62 mile loop heading east and looping back to the start. Each team will run ten 2.62 mile loops and can make exchanges at any 2.62 mile interval in which they choose. Team members are not required to run equal distances. The goal of this relay is to allow a large variety of runners to participate and have a positive experience while raising valuable funds for two worthy charities. The benefactors of this year's event are the Mother Teresa House <https://motherteresahouse.org/> and the Pewamo-Westphalia Cross Country/Track team. A clock will be running to keep track of overall time, however individual splits will not be kept nor will overall team times. Because this is treated as more of an event than a competition, no awards will be given out. Each participant will receive a moisture wicking shirt as well as access to light refreshments and snacks. The first leg of the relay will start at 5:30 pm. For safety reasons, we will be shutting down the course at 10:00 pm.
